

Job Opening Announcement

Job Title: Landscape/Sediment Control Foreman

Location: Gambrills, MD

Job Description:

Reliable Contracting Co., Inc., a large construction company, has an immediate opening for a Landscape Foreman based out of our Gambrills, MD headquarters.

SUMMARY OF POSITION:

- This position oversees a crew of landscapers. This foreman will be responsible for maintaining a safe and clean worksite, the knowledge and ability to follow OSHA and MDE guidelines, responsible for the crew's production performance and quality control to ensure the proper and timely completion of construction projects.
- This landscape crew provides services for all of Reliable's projects including new developments and county and state rehabilitation projects. Duties include but not limited to maintaining sediment controls both during and post construction.
- Experience with Hydro-seeding and installing sediment controls are a must.
- Must have the knowledge to run and maintain commercial equipment.
- Good bi-lingual English/Spanish communication skills are helpful.
- Must have the ability and willingness to train new employees.
- This job requires some data entry including but not limited to daily time and quantity entry.
- Reliable Contracting serves Central and Southern Maryland. This successful candidate must be willing to commute.
- This is a permanent, full-time, day shift position with some evening and weekend work during our busy season, weather depending.

Benefits:

Our company offers competitive pay along with a complete benefit package including weekly pay with direct deposit; health, dental and vision insurance; profit sharing and 401(k); and much more.

How to Apply:

To be considered for this position, please visit in person either office to complete a Reliable Contracting Co., Inc. employment application. While resumes are helpful, only our official application is used as a means applying.
